<b>Website</b>	www.senetics.de

## DETAILS ABOUT ORGANISATION

<b>Organisation name</b>	Senetics Healthcare
<b>Organisation acronym</b>	
<b>Webpage</b>	http://www.senetics.de
<b>Country</b>	Germany
<b>Organisation activity type</b>	SME
<b>Keywords of main research areas</b>	healthcare, medical technology, biotechnology
<b>Name of the head of organization</b>	Dr. Wolfgang Sening

## OVERVIEW OF ORGANISATION

Senetics is a young german SME with strong scientific background. Senetics is cooperating with a lot of german universities, clinics and enterprises as a management and research partner.

Our aim is to bring innovations from universities and hospitals into the market. For example we developed a device in the field of telemedicine for one of the biggest Pharma-firms, including the teaching program for patients and medical doctors.

## RESEARCH RELATED TO "LIFE-LONG HEALTH"

- development of geriatric devices
- R&D for new ways of "Home-Care"

- senetics develops products in the field of pharmaceuticals, supplements, medical devices and techniques in Germany for the global market.
- We are developing new and innovative products for established and formative market places.

## SUMMARY OF POTENTIAL RESEARCH PROJECT ENVISAGED WITH KOREAN RESEARCHERS FOR THE NEXT 1 OR 2 YEARS

- New scientific products in cooperation for the korean and german/EU market
- Cooperation and research in the field of cultural understanding for Health-Care
- Analysis of the differancy of market/consumer behaviour in Germany/Korea
- New materials for prosthetics
- Biopolymers and Tissue engineering
- Diagnostics in the field of lymphatic diseases
- Cooperation in the field of software application for consumer healthcare products
- Cooperation in the field of new bi-lateral projects in hospital-management and care

## ADDITIONAL COMMENTS ABOUT ORGANISATION

- Senetics is registered consultant by the German ministry of economics for the field of process/material-optimization in enterprises
- Senetics is platinum partner of the sector healthcare group, EEN Enterprise Europe Network of the European commission

- Senetics is registered consultant by the KfW-Bank

## RESEARCHERS INTERESTED IN COOPERATION WITH KOREA
